## Enrolments and Continuing Students for Kindergarten to Year 6 - 2022

Dear Parents/Carers

This time of the year is always a busy time for our school when enrolments commence for the following school year. We are sending this note home to all families this week so that we can anticipate enrolment numbers for 2022 in order to make decisions about class and staffing arrangements. We already have a strong interest for Kindergarten next year and need to carefully plan ahead before accepting any new enrolments for Years 1-6. I understand that for some families, this may not be possible so far in advance, however, an indication which is not binding would be gratefully appreciated. To assist us, please complete the form below and return to school by **25<sup>th</sup> June 2021**. Please keep us informed if your situation changes.

Many thanks.

Principal
